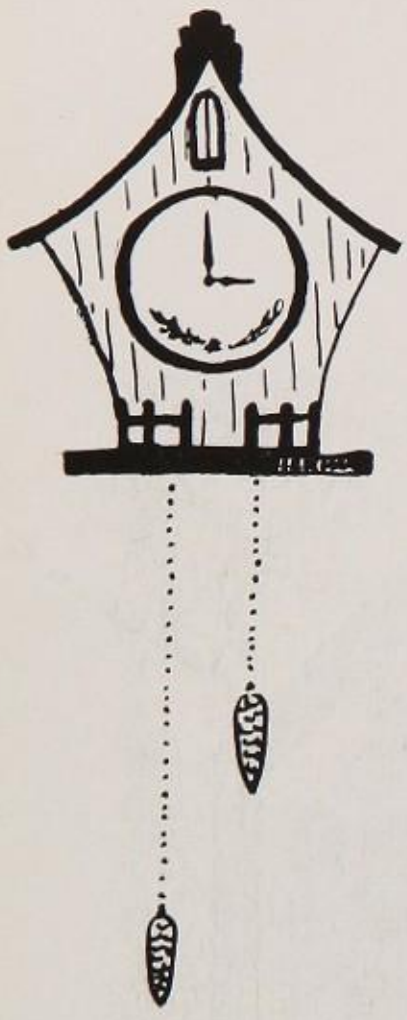
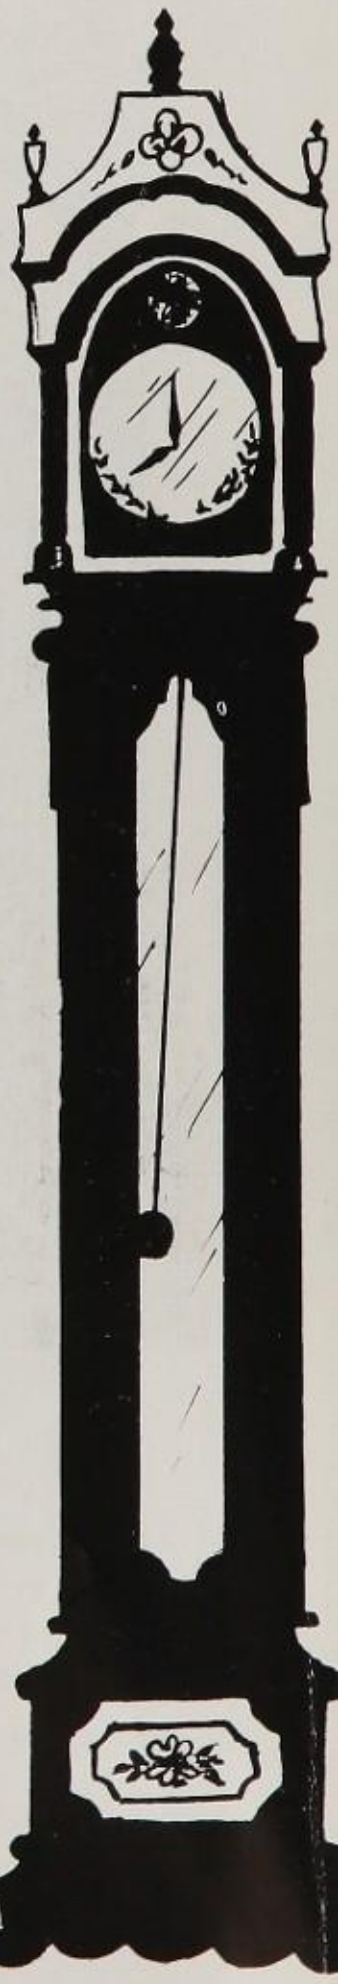
The 1962 Overtour



FOREWORD



The theme for this year's annual is Moments of Magic. The 1962 Overtour is filled with memories of moments past which spread their particular kinds of magic.

In reliving dances, basketball and football games, and other happy occasions, we hope that each of you will find within these pages your special moments of magic.

DEDICATION

The Overtour Staff of 1962 takes great pride in dedicating the annual this year to one who has been at Overton ever since the school opened its doors in 1958, first in the capacity of teacher and school treasurer and more recently in his new position as assistant principal. He has always given freely and cheerfully of his time. A student with a problem is welcomed by him and given the same courteous consideration as one who has stopped by his office for a friendly visit.

In view of his many contributions to our school and the respect and affection that we have for him, we dedicate the 1962 Overtour to Assistant Principal Lucien Battle.

JOHN OVERTON HIGH SCHOOL

The storehouse of these moments of magic

OUR PRINCIPAL

One who has done much to make this year enjoyable and worthwhile is Principal Edmond Tipton. Always pleasant, courteous, and friendly he has listened to our problems with genuine interest and has never failed us when we needed him.

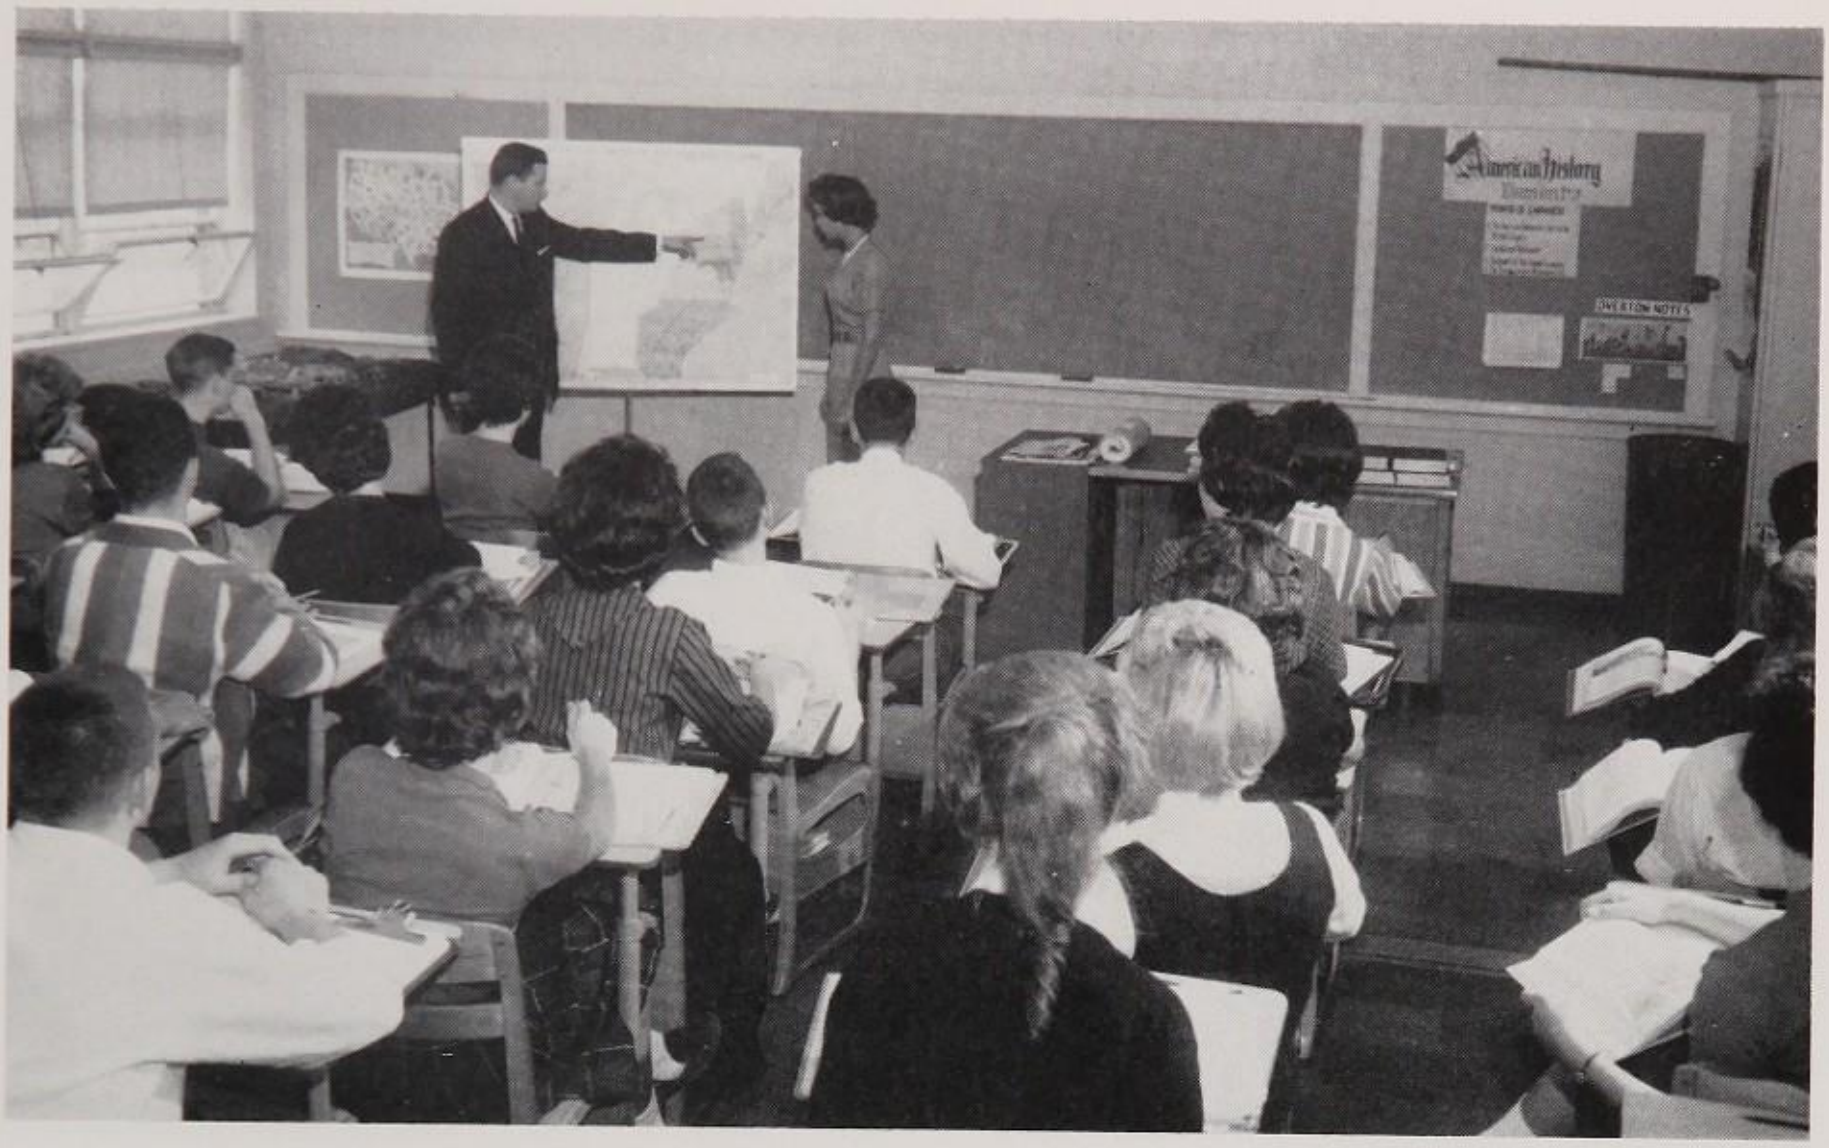
An innovation at Overton this year is the foreign language laboratory of which the first French class is taking full advantage.

"Here and Now"

A Latin 111 class is being taught for the first time at Overton on an experimental basis. The class meets every day, but recites only twice a week.



In order to maintain our American way of life, the study of American ideals and traditions has never been more vital than today. An American history class is studying all the phases of our country's history.

"Here and Now"

A great interest is taken by these students learning chemistry, an all important subject in this age of scientific development.

A new class in speech is a valuable addition to the curriculum.

"Here and Now"

English classes find reading laboratories of great help in increasing both the rate of reading and comprehension

The value of mathematics is unparalled in the age of electronics and engineering. These students are learning the fundamentals of geometry.

"Here and Now"

Spanish classes are very popular at Overton, where students realize the value of learning the language of their neighbors

The cultural values are also emphasized. The art classes are taught art appreciation as well as color and design.

"Here and Now"

Music appreciation also receives emphasis as is manifested in the interest shown in music.

The ancient Greeks believed in order to get the most out of life one must have a sound body as well as a sound mind The gymnasium classes work hard to develop physical fitness.

A lively game of volley ball is in progress in the girls' gymnasium class.

"Here and Now"

In the boys' gymnasium class the boys are shown taking setting up exercises.

For those students preparing to enter the business world and those planning to go to college, courses in typing are of the utmost importance.

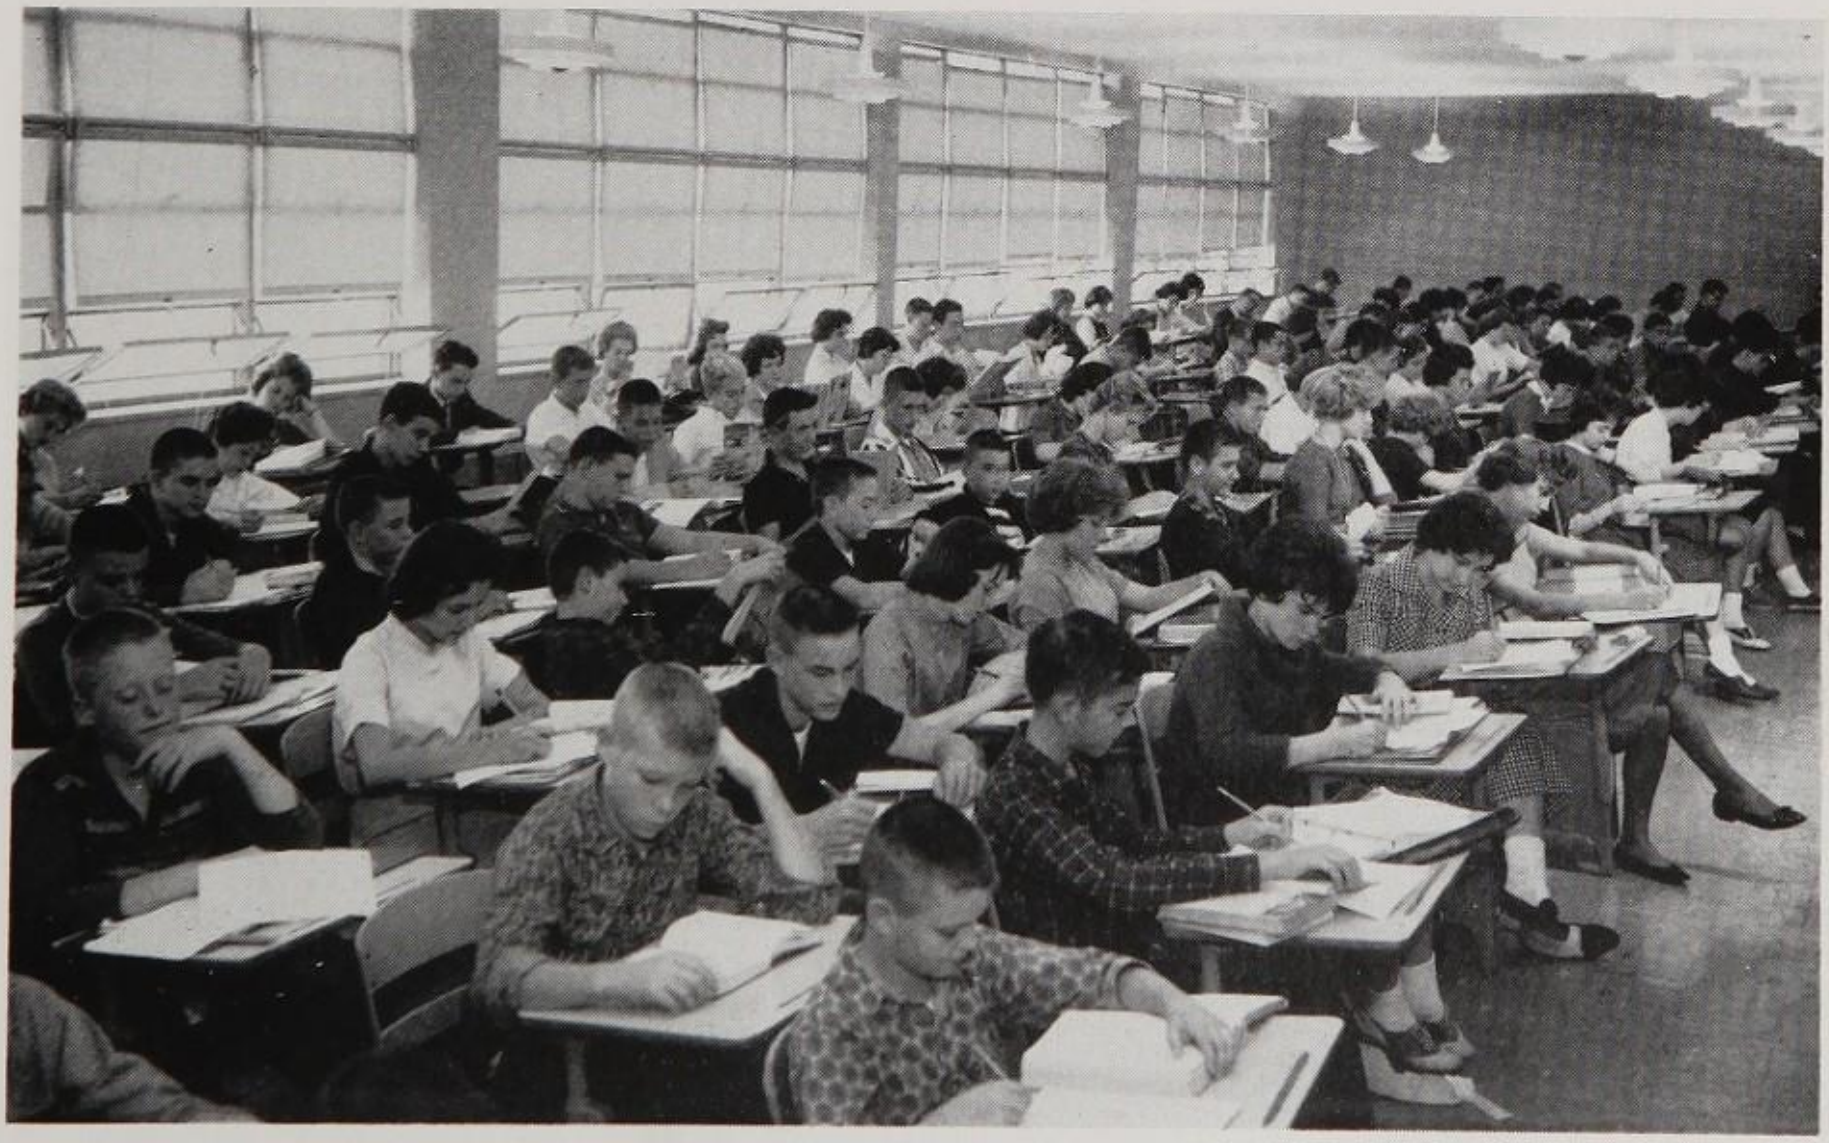
"Here and Now"

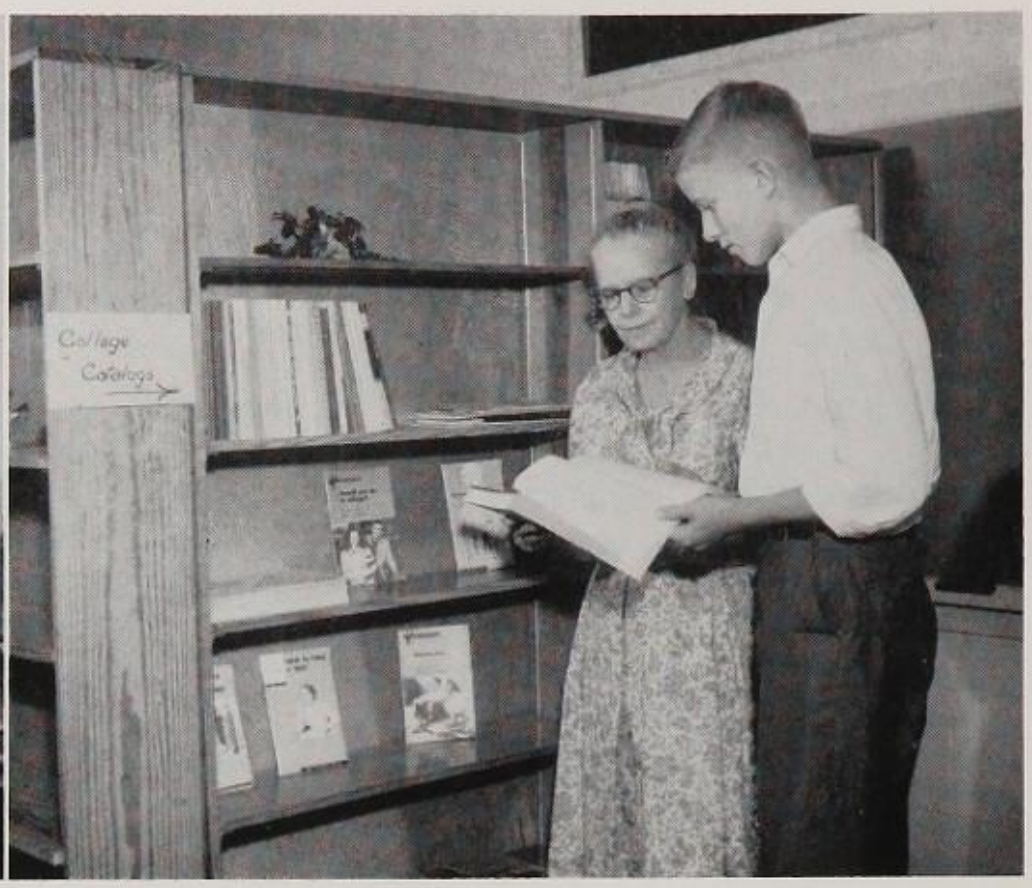
In the shop classes the boys are taught techniques and creativeness.

The homemakers of the future receive valuable instruction in cooking, sewing, interior decorating, and keeping house. In this picture the class is at a breakfast prepared by the students.

"Here and Now"

A large study hall conducive to study is conveniently located next to the library.





Our guidance department has counselors on duty every period of the day.

Left: Mrs. James Hobbs is advising a student about her course of study.

Right: Mrs. Margaret Johnson is discussing colleges and college entrance requirements with an interested student.

The attractive library has an atmosphere that stimulates reading.

The cafeteria staff does an efficient job in keeping us well fed and happy.

Unforgettable Moments

At Overton every day starts with devotional. Once a week the devotional is conducted by one of the pastors from a neighborhood church.

Early morning sale of the annuals.

Scenes from the first spaghetti supper, sponsored by the Men's Club before the opening football game.

A welcome pause in the day—lunch time.

OVERTON'S 1961 VARSITY FOOTBALL SEASON

Overton's Bobcats had a great season this year in only their second year of varsity competition. Being only juniors they really scrapped hard to rack up a 9—1 record with three bowl bids, which were turned down. They are looking for their first bowl game their senior year, which will be the 1962 season.

Opening up the season, the Bobcats slammed Joelton for a loss of 33—0. This impressive victory was not enough for them. They carried right on for four straight games without even being scored on. Then on October 6, in a game with Dover, Dover's high scoring ace in the state, Dorris Threatt, broke loose and was the first player in 1961 to cross the Bobcats goal line. Overton came back, however, to dump them 27-6 revenging with ease.

The most exciting game of the season came on November 4, in the Maplewood Panthers' stadium. The battling Bobcats were still undefeated in eight straight games, and as the game rolled on, it looked rather gloomy for Overton, but the Bobcats opened up their scoring spree with a field goal by our "German Imported Kicker", Ulrich Wolff. By the fourth quarter Overton trailed 6—3. With fifty seconds left in the game Quarterback John Kearns, faded way back with a long floating pass which landed in the arms of star Halfback Roger Green, only a freshman. This and the fact that Maplewood was penalized 15 yards late in the fourth quarter as they threatened the Overton goal line made it possible for the Bobcats to sew up their ninth win with a final score of 10-6.

Our outstanding features and honors were many this year. We received foreign aid from Germany by using Ulrich Wolff as our field goal and extra point man. Ulrich had never played football in Germany, but his outstanding ability to kick came from his soccer experience. On one occasion Wolff socked the pigskin for 37 yards to help boost Overton over Hillwood. It was the longest field goal in modern N.I.L. annals. Other honors went to John Kearns, Bryan Smith, Roger Green, Wayne Clendenen, Tommy Harper, David Graeflin, Bill Harris, John Norman, Don Hickman, Ulrich Wolff, and Randy Foster, who made the all class A weekly check list at least once in the season. Roger Green, David Graeflin, and Ulrich Wolff received honorable mention on the All-Nashville Team.

Overton wound up its 1961 season with only one loss which went to Chattanooga Brainerd on November 10. All in all the Bobcats had a successful winning year, and they will be looking for a winning season and maybe an undefeated season next year.

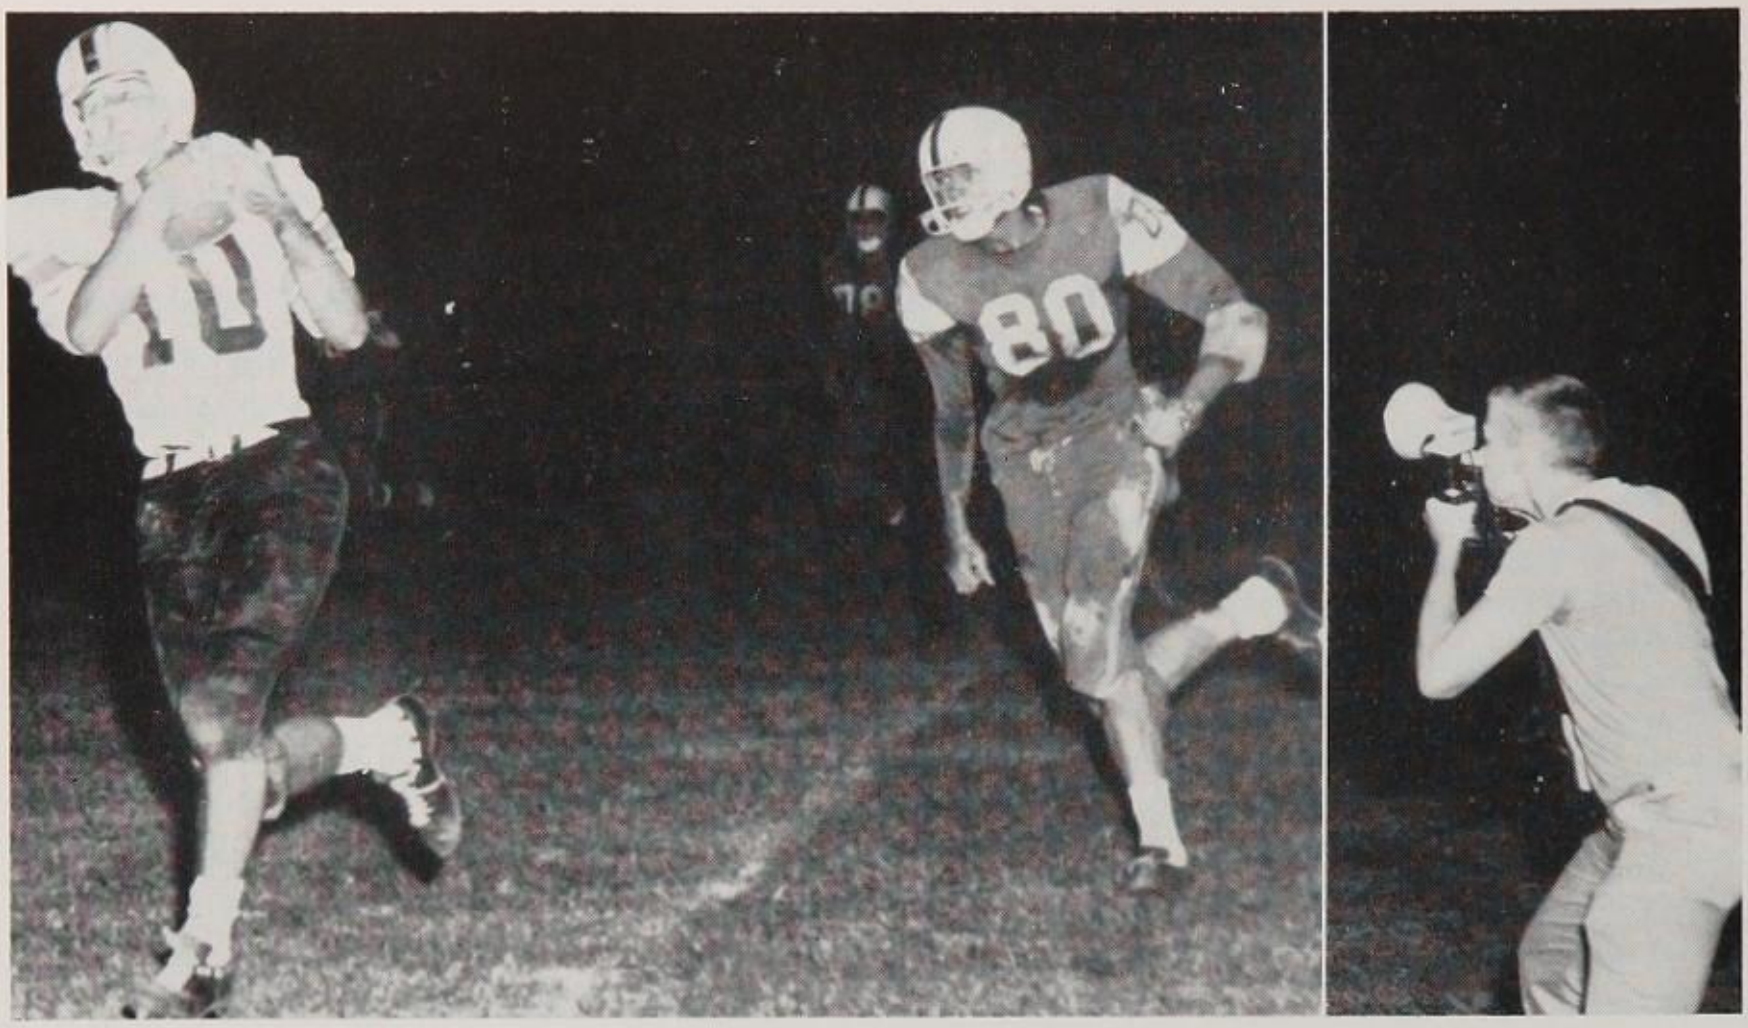
Halfback Fred Allen (23) is pulled down by Halfback Trench Grissom (20). The downed defender is Halfback Charles Phillips. (69). The pacing defender is Tommy Cutrell (62). Coming to Allen's aid is Fullback Dudley Carter (19).

THRILLING MOMENTS FROM THE McMINNVILLE GAME

Coach Solon Apple receives a well deserved lift from the field after the McMinnville game.



Quarterback John Kearns (10) grabs the Big-O pigskin and gallops for a 40 yard run to the McMinnville 10; defender is Johnny Hennessee (80).

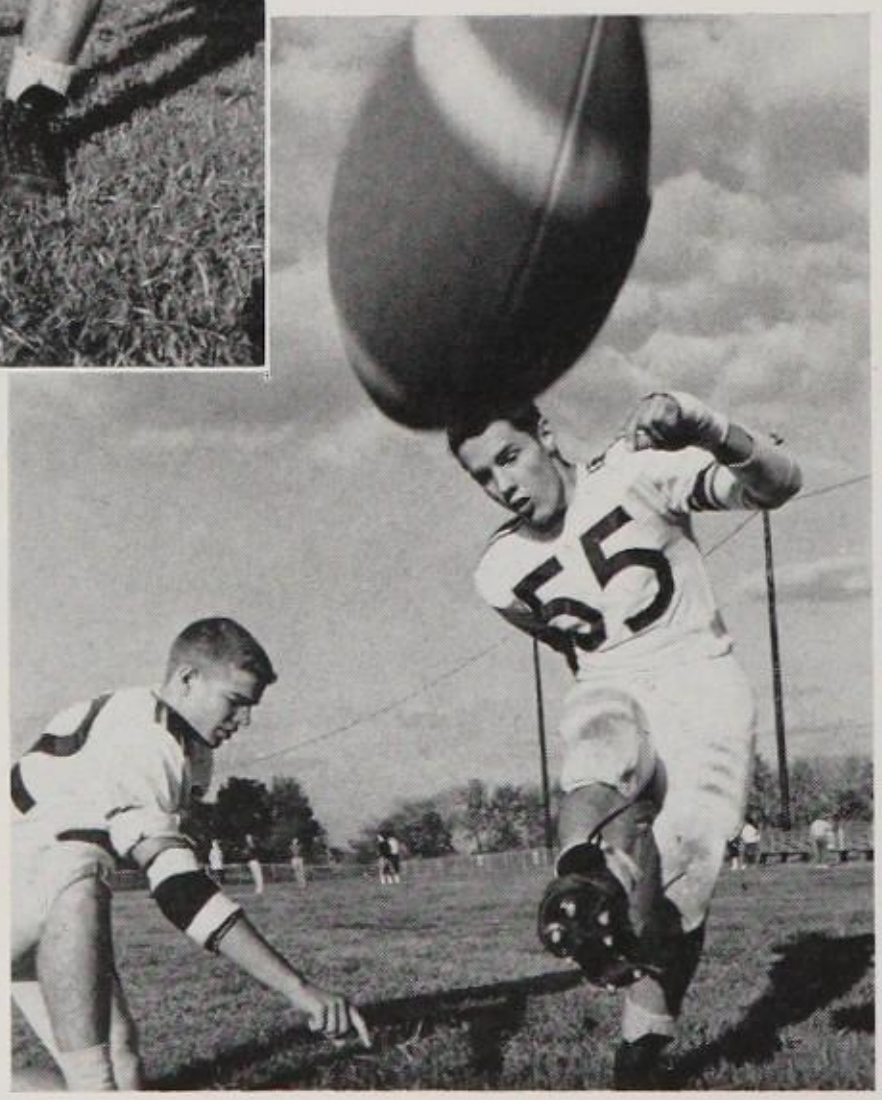
All American Paul Hornig, a member of the Green Bay Packer Team, gives the football team some valuable pointers.

Ulrich Wolff had never played football before coming to Overton. His ability to kick came from his soccor experience. During one game he kicked the ball 37 yards for a field goal and made an N. I. L. "first", the longest field goal on high school record.

Ulrich Wolff, a German exchange student, demonstrates his famous and unusual kick.



Randy Foster rams through Brainerd defenders for the Bobcats single gain.
